### General Observations of Teachers' Feedback Received

- A feedback was collected from the Teachers based on the facilities, infrastructure, curriculum, administration, and policies, an average percentage opinion of **88.2%** was provided by the teachers.
- This shows that the infrastructure, academic environment, administration of the college is very good. The college improves in providing adequate research facilities to the teachers than that of the previous years.
- Recent curriculum is good for its applicability of learning objectives and course outcomes, experiential learning, participative learning and problem-solving methodologies. Although, the opinion percentage of 80% points that there is still scope of improvement in syllabus, it should make students employable.
- The college also has to improve the cleanliness of the campus, the facilities of providing drinking waters in all college premises, the preservation process of data, documents, and records.
- The lowest opinion percentage of 77.5% about the medical facilities indicates that it needs to be improved a lot.

### Recommendations and Suggestions

- Skill development programmes should be entertained.
- The attention should be given for arranging departmental library, college canteen, purified drinking water supply on each floor, cleaning of toilets.
- Quality improvement teaching room, others equipment.
- More facilities for vocational training to students is very much needed.
- Care should be given to data recording and documentation.
- Class rooms are not enough for CBCS system. More classroom is needed.
