11. 88.1% students have rated extra-curricular activities from good to excellent.
12. A whopping 96.6% students feel that college campus is green and eco-friendly.
13. Students are happy with the College infrastructure, College administration etc. However, 83% students have rated that common room, drinking water, sanitary system, cleanliness, students' aid fund etc from good to excellent, which is a significant improvement than previous years.
14. Students have insisted on covering of syllabus through class teaching, sought more cooperation from laboratory assistants. A whopping 27.9% students are concerned about student welfare and grievance mechanism.

### **Recommendations:**

1. College authorities are recommended to create more classroom so that a suitable routine can be followed to cover the whole syllabus in prescribed time.
2. Student welfare and grievance mechanism should be modernised and prompt.
3. Special attention should be given so that students can avail proper assistants in various laboratory, library and other facility centres of the college. A subcommittee may be formed to overview the process.
4. More importance should be given to improve facilities like common room, drinking water, sanitary system, cleanliness, students' aid fund etc.
5. College authorities are recommended to organize regular seminar/webinar in various disciplines to update the knowledge base of both teachers and students.
6. College authorities are recommended to organize regular counselling session to check on both physical and mental health of students & teachers.
