## Department of Sanskrit

Invitation for 4-year B.A(Hons/Hons & Research)-Sanskrit Admission—2024

### About the Department

'संस्कृतमेव हि भारतम्।' Sanskrit language and Sastra are the lives of our country India. In the study of Sanskrit language among the whole world, the contribution of Nadia district is immeasurable. Nabadip, located in Nadia, is the major centre for the study of 'Navyanayasastra'. By following the methods of learning Sanskrit, people of Bengal take pride of themselves in all over India. But due to the negligence of Sanskrit language by the people in 21st century, the study of Sanskrit language has decreased drastically; although Nadia district, the birthplace of Lord Sri Chaitanya, is still respectful to the study of this resourceful language.

In the year 2012, at Bagula of this district, Department of Sanskrit was established in order to feed the hunger of knowledge and with the intense ambition of the people. During the first period of establishment, only pass course was available but the approval of Honours course in 2015 was definitely a huge addition to the study of Sanskrit.

The Department has organized a number of Seminars, Conference, Workshop as well as Special lectures by eminent scholars of various Universities. Sanskrit Day and Raksha Bandhan divas are celebrated in this Department of Sanskrit. Besides, students organise Teachers Day, Fresher's Welcome, and Farewell etc. The wall magazine 'हृदिका' and 'तरङ्गिणी' magazine have been published since 2020 by the department.

In this way, with the joint effort of departmental students, Faculty members, College Managing Committee and inspiration from our Principal Sir, our department is on the right track of successive progression.
