

Criteria 6.1.1

The governance of the institution is reflective of and in tune with the vision and mission of the institution:

The vision and mission of Srikrishna College are reviewed and redefined keeping in view of its geographical location and the socio-economic status of the people. The institute is committed to providing a congenial atmosphere to result in the overall holistic development of each student. In the present context, the vision of the college is to the centre from where its students can dream of spreading their wings into the global world of higher education. The College caters to society's educational, social, cultural, and economic needs High-quality educational and academic programmes and healthy practices are being implemented around the year keeping in mind the policy of uncompromising adherence to the values and principles of inclusion, empowerment, responsibility and social accountability. The Governing Body members, along with the principal work towards the designing and implementation of the institutional quality policy. Various administrative committees such as IQAC, Finance and purchase committee, academic council, admission , Examination committees are formed for the overall management of like admission, academics, the conduct of examinations, promotion of research and extension activities, and development of infrastructural facilities, maintenance of leave and service records, cultural activities, implementation of healthy practices on the campus and inculcation of the spirit of national integrity and social responsibility.

Academic Plan 2018-2019

- We plan to arrange some seminars/workshops on newly adopted UG CBCS system for the college teachers.
- We plan to conduct compulsory orientation Program for the newly admitted first semester students. It would be compulsory for each department of our college to arrange such program before starting the classes of first semester students next year.
- We aim to initiate online feedback mechanism next year. The feedback so collected would be compiled and analyzed for further improvement in overall aspects of our Institution.
- We would like to make vertical extension of the Geography Building (FB-IV) for accommodating new classrooms and laboratories of Physics department.
- We aim to build two more ICT enabled classrooms next year.
- The college auditorium needs renovation. It would be renovated next year to provide more seating arrangements and facilities of digital presentations.

Memo No.

- We will conduct campaigns for making and maintaining our campus Clean and green. We also aim to make our campus a plastic free zone.
- Participatory approach, also known as Freirean Approach, is a teaching strategy that incorporates themes or content area that are of interest to the learners. The themes derive from real issues that affect students daily lives where language learning is used as a vehicle to solve social problems.
- We would give special focus on such participative learning. We would modify the present Grievance Redressal system to make it more effective and smooth.
- We would renovate the laboratories of both the Physics and Chemistry departments to accommodate new experimental setups suggested in the new CBCS syllabus.
- We plan to promote gender equity through conducting relevant programs in our college campus. Such programs would be organized by the Women cell of the college.
- We would celebrate National events/days/Festivals via organizing cultural and sports events for the students.
-

Academic Plan 2019-2020

- We aim to take strategic plans for effective curriculum delivery in the next year.
- All departments shall be requested to submit faculty requirement request if any, to the Internal quality assurance cell (IQAC). IQAC would then collect all such requests and would also verify the infrastructure ability for smooth and
- effective curriculum delivery in the forthcoming semesters.
- Based on university academic schedule, college academic calendar of events is to be framed before commencement of each semester.
- We plan to renovate and modify the computer science laboratory of our college. The seating arrangement of the students and the positions of the computers would be modified not only to accommodate more students but also to make the use of laboratory more convenient for students.
- The old e-waste stored in the laboratory would be discarded/recycled in a proper way.

- New Air conditioners would be installed in the laboratory.
- There are several vacant posts in our college. We aim to cover all those posts through West Bengal College Service Commission (WBCSC) so that the quality of education is enhanced.
- We plan to invite renowned academicians to deliver lectures during some special occasions next year, e.g., 200th Birth centenary of Pandit Iswarchandra Vidyasagar, 50th anniversary of Bangladesh Muktiyuddha etc. to provide chances to our students to be inspired and to enrich their knowledge.
- We plan to organize a seminar on Goods and Services Tax (GST) which is presently a highly relevant topic.
- We plan to introduce special awards for some of our students who would score high marks in the examinations. Such awards would definitely inspire all students to perform better in future.
- As we consider NAAC related works to be very important, we plan to arrange a one-day workshop in December 2019 about NAAC assessment process. The seminar would be delivered by Prof. J.K .Mandal (coordinator, IQAC, Kalyani university).

- College Website acts as a very important source of information. We plan to upgrade our website so that it could describe the regular developments on college campus, interesting research and campus life in addition to the essential education related informations. A committee would be constituted for upgradation of the college website.
- Research Journals/e-journals are required for both research related purposes of teachers and project work related purposes of students. We aim to make access of these journals available in the library.
- We plan to start a campaign on Swachha Bharat Mission through NSS for the college students and local residents of Bagula, Nadia, WestBengal.
- We aim to encourage our faculty members to use Power Point Presentations to project visuals that would otherwise be difficult to bring to class. Such presentations will definitely be more interesting for students.
- We also aim to open PG course in Bengali next year. It will be beneficial for students of this rural area.
