

Report of Women's Cell Activity 2019-2020

**A one-day seminar on "How Lucky is it to be a Woman? History,
Theory, and Reality"
Date- 13.03.2020**

Women's Cell of Srikrishna College, Bagula organized a one-day seminar titled "How Lucky is it to be a Woman? History, Theory, and Reality" on 13.03.2020 to celebrate International Women's Day. Our eminent speakers were Dr. Aparna Bandyopadyay (Associate Professor, Dept of History, Women's University, Diamond Harbour) and Dr. Nita Bandyopadyay (Head & Director, Dept of Physical Education, University of Kalyani). The speakers presented beautiful interactive sessions about women's leadership and gender equity. A total of 90 participants including students and faculties of our college participated actively to make the seminar a successful event. We have also organized a small exhibition of Handicraft items made by our college students.
