16 responses

How many marks would you give to the department as a whole out of ten

16 responses

The department has reviewed the feedback of students very carefully. It is seen that the students are benefited overall by the facilities provided by the department. All the faculty members of the Department of Political Science maximize the academic

development of students even with very limited resources. This sincere effort by all faculty members of the Department of Political Science is reflected in the aforesaid student feedback.

Department of Political Science.
